Confirmation of registration*

Dear Tony Raffoul,

We are pleased that you have decided to study at ETH Zurich and confirm to have received your registration for matriculation to **Electrical Engin. + Information Technology MSc in Autumn Semester 2024**.

Lectures will begin on Tuesday, 17 September 2024.

Registration documents

To complete your registration, you need to submit your graduation documents. Detailed information on how and by when to submit the documents can be found in your eApply account.

Please note that if you do not submit the required documents on time, you will be unable to enrol and to start your studies.

Matriculation pending

Only after having submitted your graduation documents will you be matriculated.

The Registrar's Office will then provide you with your personal access data for the ETH IT-services (username, password, and student email address) and your ETH card (student identity card). The extended matriculation confirmation will be available for download in myStudies.

Furthermore, the department will send you specific information about your programme together with the invitation to a welcome event.

We wish you a good start to your graduate studies.

Kind regards,
Hannah Lina Schütz
